4. Guardhouse maintenance
5. Cable Television and Special Programs – including garage door trash pick-up
6. Maintenance of the lakes and waterways

RULES AND REGULATIONS

1. Garbage Collection

- a. Collection days are Tuesday and Friday, unless notification is given of either a permanent or temporary change by the Palm Beach County Solid Waste Authority. Payment for this service is made directly to the Authority and is not included in your Homeowners Association dues, except for garage door pickup-service.
- b. Trash must be put in *closed receptacles* and then placed at the owner's garage overhead door no earlier than the evening before scheduled pickup. All trash receptacles must be kept from view in garages except when left at garage door for pick-up. Trash receptacles and recycle containers will be picked up at garage door and returned to same location by Palm Beach County Solid Waste Authority.
- c. Plastic trash bags or other loose trash may not be placed at the garage door until the morning of the scheduled pickup day.
- d. In the event that homeowner cannot meet with the above schedule, trash can be placed in the dumpster at the rear of the clubhouse.
- e. If trash is left in the front yard for more than 2 days the Association will clear it and charge your account \$200.

2. Water and Lakes

- a. An anti-rust system is required to be operative for each resident's sprinkler system operating from a well. It is necessary to make arrangements to keep your tank filled with the proper chemicals to keep it operating properly. Each resident must have his/her sidewalk and house cleaned of rust build-up when necessary.
- b. Homeowners are not permitted to make private use of the water from golf course lakes for any purpose whatsoever.
- c. Swimming or wading in the lakes or ponds is prohibited.

3. Maintenance of Land and Buildings

- a. Each Homeowner shall maintain their property and home in good condition, appropriately painted and cleaned. Grass and shrubs shall be maintained in a healthy and neatly trimmed manner.
- b. Playground equipment, including swing sets should be screened from view with adequate landscape shrubbery as required by the ARB, so that they are not visible from adjoining properties. Basketball hoops are permitted only with prior written approval from the ARB as to location.
- c. If the condition of the property or home shall not be maintained as stated in (a.) above, the Association shall give written notice of the violation. All violations shall be referred to the Grievance Committee. The property owner has thirty (30) days from the receipt of the notice to cure the problem. If the condition has not been corrected at the end of that period, the Association may have the condition corrected, and charge the homeowner for such services.
- d. Driveways are not to be barricaded or blocked by chains, cones, gates, posts, or other similar devices except when undergoing maintenance, repair, or replacement.

4. Lighting

All homes shall have automatic exterior lights that are lit from dusk until after midnight, preferably until dawn, even if the homeowner is not in residence. It is recommended that a timer light be installed at the rear of all homes.

5. Package Delivery

Security will accept small packages for temporary storage at the gatehouse. If notified of any expected large parcel deliveries, and if given permission in writing, Security will endeavor to accompany a delivery truck to your residence, and open the garage or house to receive it. However, Security cannot be expected to stay with the delivery people. Written authority

must be given to the security force to leave such delivery personnel alone at the house and that the delivery personnel are responsible for locking up and leaving.

6. Speed Limits and Use of Streets

- a. Posted roadway speeds up to 25 mph apply to all vehicles and must be observed by all residents and their guests. Traffic regulations require strict observation of all Stop, Slow, Parking signs, and markings. Please watch out for walkers, joggers, skaters, and bikers. Use extreme caution at stop signs when passing golf cart crossings.
- b. The operation of golf carts on the streets is a member's privilege and may be used only by a licensed motor vehicle operator. Operators of golf carts must obey the traffic regulations at all main Bocaire roadways. **Automobiles are to be given right-of-way.**
- c. All walkers, cyclists, joggers, and skaters on the streets must wear proper attire within the community, yield the right-of-way to vehicles, and abide by all traffic regulations. All walkers and joggers should travel against the flow of traffic. Bikers should travel with the flow of traffic. Pedestrians are encouraged to use sidewalks.

7. Parking and Garaging of Vehicles

- a. Overnight parking of any vehicle or equipment on Bocaire streets is prohibited from 1:00 a.m. until 6:00 a.m.
- b. Garage doors must be kept closed at all times, except as necessary to enter or exit from the garage.
- c. No recreational vehicles, commercial vans, or trucks are allowed in driveways overnight. They must be parked in the garage. Vehicles that cannot be accommodated in a member's driveway must be parked on facilities designated by the Board of Directors.
- d. Park in front of the odd numbered homes on the odd months and in front of the even numbered homes on the even months. The indication for the change each month will be displayed prominently at the service entrance at the gate house. Do not park in front of fire hydrants, mailboxes, or driveways. Do not park in the yellow restricted areas. Trailers must remain attached to vehicles at all times.
- e. When working at locations on Bocaire Blvd., all contractor and service vehicles must be parked on the side of the street that is displayed at the service entrance at the gate house. They are prohibited from parking in front of mailboxes, fire hydrants, driveways, and other restricted areas. Contractor and service vehicles, including house cleaners and medical assistants, must park in resident's driveways if they are on the premises for more than four (4) hours. Vehicles are not to block the sidewalk right of way.

8. Motorcycles, Mopeds or Motor Bikes

Motorcycles, mopeds, or motorbikes may only be operated by a licensed operator and may only be ridden on the street. These vehicles may be deemed to be a nuisance if motors are not quietly muffled, and do not abide by the rules. They are prohibited from being ridden on the golf course.

9. Wildlife

Certain wildlife in the area can be dangerous to residents and pets. Feeding of any wildlife is prohibited, including feral cats and ducks. Report the presence of alligators, snakes, and the like to Security.

10. Household Pets

Household pets may not be allowed anywhere within the Bocaire premises other than in the confines of their owner-members' residence, screened or fenced area, unless tethered or on a leash. All owners of pets should read and abide by the applicable provisions of the Covenants & Restrictions.

11. Hurricane Shutters

All hurricane shutters may be closed during hurricane season which is June 1 to November 30. Hurricane shutters on lower windows facing the street and golf course may not be closed from December 1 to May 31. Hurricane shutters may be closed on upper and side windows all year long.

12. Constructions and Improvements

“Major Renovation” is defined as: New Construction and Renovations which include additions to the square footage of the property and/or projects that, in ARB's discretion at time of approval, may be of significant duration that has a negative effect on our community during construction. This specifically does not include new roofs, hurricane windows, new pavers, painting, pool resurfacing and landscaping work.

1. a. No improvements shall be constructed, erected, removed, planted, or maintained, nor shall any addition to or any change, replacement or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, floor plans, color scheme and the location of same shall have been submitted to and approved in writing by the ARB in accordance with the applicable provisions of the Declaration of Covenants and Restrictions for Bocaire.
- b. Construction vehicles will only be permitted entry to the community after approval of the project by the ARB and the posting of a damage deposit if

required. These deposits are for protection of Association property. Operators of contractors' vehicles must abide by the security and vehicle regulations set forth by the Association. Owners, renters, lessors, and operators of contractor vehicles are responsible for damage done to Bocaire property, i.e., mailboxes, street lights, street signs, landscaping, streets, etc. Homeowners are urged to report any such incidents to the Security Officer in the guardhouse.

- c. Homeowners are responsible for their contractor's compliance with all rules.
- d.
